Dear Saegertown Borough Water Customer,

Enclosed you will find your annual Consumer Confidence Report (CCR) for the Saegertown Borough Water System.

Once again you will see that our water has passed very stringent testing, and that we continue to provide you with safe, quality drinking water.

While we were required to report a violation this past year, subsequent tests have shown that the result was probably a testing error.

We are required to send you a copy of this report. If you find it confusing (we do too!) feel free to stop by the Borough Office with any questions.

Sincerely,

Charles T. Lawrence, Jr.  
Borough Manager
