Celebrate Saegertown – August 8th

Time Capsule

The Saegertown Heritage Society has planned a special opening of the time capsule found in the 1937 cornerstone of the old Heritage Building, previously located at 320 Broad Street. The structure was torn down in May; it was originally used as the Borough Offices and Fire Department, and from 1999 to 2024 it housed the museum for the Heritage Society. The capsule opening will be done by the Borough Mayor, Ted Szalewicz, on the front porch of the Saeger House, 375 Main Street, at 3:00 on August 8th. This will coincide with the Saegertown Celebration of the 250th anniversary of our country. The public is invited to attend. In case of inclement weather, the opening will be moved inside to the Pharmacy in the back of the Saeger House.

Come to Euclid Ave. on August 8th and Have FUN

Saegertown Heritage Society:

*•The Society is sponsoring a **House Decorating Contest** for homes in the Borough with a patriotic theme. It will run from July 1st to August 7th when winners will be chosen. The winners will be given gift cards from a local business that sells landscaping and home decorating items for them to use as they wish.*
*•There will be an **Art Show** for children and adults on August 8th in the Saeger House Pharmacy. Prizes will be awarded. •The Society is selling 250 Saegertown hats and totes.*
*•**Reenactors** will be at the McGill House on Aug. 8th. •There will be extended hours at the Saeger House from 10am to 3:00pm. •The "Changing Event Room" at the Heritage Society Museum is dedicated to the past United States commemorative anniversaries of our nation. There are several interesting items on display.*

Community Yard Sales:

Community Yard Sales Day will be Saturday July 18th this year. No permit is needed. Set up Friday and cleaned up by Monday. All other yard sales require a free permit, and you are limited to 2 per year.

Recycling Electronics: Month of August

*Once again, this year the **Jordan Family Foundation** will sponsor an electronic recycling event for Borough Residents and Businesses. Electronic devices such as Computers and towers, VCR's, TV's, Laptops, I-pads, Copiers, Radios, and Cell Phones will be accepted at the Borough Building, in August, during office hours.*

Please notify companies that bill you to use your Post Office box number, or the bills may not be delivered.

Recent Tornado and Storm Water Problems:

During the recent storms much of Saegertown was without power. The Borough Office, Fire Station and (1) water well are all powered by generators. A section of town that was still with power was using more water than we could supply. This caused low water pressure in several areas. The new project should improve the chance of that happening again, but we can never predict if weather affects operations. The Borough has contingency plans, and the new water project will give us many more options in the future. Fortunately, we never ran out of water.

Water Project Update:

The water project is coming slow but sure. The water line is completed from Erie St. to Rt. 198, and well #3 has been tied into the system. The contractor has experienced supply issues, but most items at the treatment plant have been installed. Yard repairs are in progress. We do not anticipate any more low pressure. Downtown may experience occasional high-pressure issues until everything has been completed.
