Tornado Sirens – Why didn't it blow?

During early September's rash of severe weather, we did not activate the tornado siren.

We don't want to start the "Boy who Cried Wolfe" syndrome!

-Our team reviews the warning area.
-We watch local weather radar.
-We make a collaborative decision to activate the siren or NOT.

We will activate the warning siren if it is warranted!

Leaf Season is almost upon us!

The Borough will begin picking up leaves in October as needed. Please follow the rules below.
No Grass Clippings!! We cannot pick up grass clippings even if they are in a bag.

It is unlawful to blow, sweep or place grass, weeds or plant material on or into a storm drain. Fines range from $50 to $250 per day.*
•The Boro purchased a new leaf sucker last year making it faster and easier for employees to pick them up.
•Leaves must be raked to the edge of the road (NOT on the road)
•Leaves must be in neat piles, rows are great. • Make sure there are no rocks, stones or sticks in the pile.
•Wet leaves need to be dried out, by turning them over until dry.
