

Chapter 16

**Part F: Stop Signs
(OR2-2003)**

100.00 Definitions and Interpretation:

- 100.10 Words and phrases, when used in this ordinance, shall have the meaning ascribed to them in the Vehicle Code (the Act of June 17, 1976, P.L. 162, No. 81), as amended.
- 100.20 Except that in this ordinance, the words “street”, “alley” and “avenue” may be used interchangeably with the word “highway” and shall have the same meaning as the word “highway” as defined in the Vehicle Code.
- 100.30 In this ordinance, the singular shall include the plural, the plural shall include the singular, and the masculine shall include the feminine.

200.00 Stop Intersections Established:

- 200.10 The following intersections are established as stop intersections:
- 200.20 Official stop signs shall be erected in such a position as to face traffic approaching the second-named highway (the intersecting or through highway) on the first-named highway (the stop highway) in the direction or directions indicated for that intersection.
- 200.30 Every driver of a vehicle approaching the intersection on the first-named or stop highway, in the direction indicated in each case, shall stop the vehicle as required by Section 3323(b) or any updates of the Vehicle Code, and shall not proceed into or across the second-named or intersecting or through highway until he has followed all applicable requirements of that section of the law.
